

SOY ANTONIA Y ESTOY LISTA
ME VOY DERECHITO AL MAR.
LA CIENCIA ME NECESITA,
HAY MUCHO QUE INVESTIGAR.

An illustration of a young girl with brown hair in a bun, wearing a white visor and a red swimsuit, kneeling on a sandy beach. A grey dog is lying on its back nearby, looking at a small green sea urchin on the sand. The background is a soft, yellowish glow with floating sea creatures like jellyfish, stars, and shells.

PULPOS, ESTRELLAS, CANGREJOS,
HIPOCAMPOS, CALAMARES...
Y ENCONTRÉ A LAS AGUAS VIVAS:
MEDUSAS MUY POPULARES.

An illustration of the same girl and dog from the previous scene. The girl is holding a red notebook and looking at a large, glowing purple jellyfish with long, flowing tentacles. The dog is looking up at the jellyfish with a surprised expression. The background is white with several smaller, colorful jellyfish floating around.

HAY GIGANTES, DIMINUTAS,
FLUORESCENTES, VENENOSAS,
COMO LA AVISPA DE MAR,
UNA DE LAS MÁS FAMOSAS.

ESTABAN DESPARRAMADAS
SOBRE LA ARENA MOJADA.
¡NO PUEDEN SOBREVIVIR
EN AGUAS CONTAMINADAS!
